... forums and search and download and see the questions I got to the people and try to find the best possible solution for your question (if there is any)! What is Grand Chase? : Grand Chase was a free to play, browser based massively multiplayer online game. It was created by DOOGLESS. The game itself was an MMORPG (Massively Multiplayer Online Roleplaying Game), you play as an adventurer. The game world starts at a large island. How to play : You can choose to play the game as a free to play, where you can play for the "free to play" period, and get access to many features. After this period, you can choose to pay some money, you get some benefits and can get access to some other features. 1.Features: Free to Play Premium (Pay to play) In Free to play mode you get access to all features for free, this includes adventure maps, missions, dungeons, crafting, teleport, crafting guilds, pet battles, party mechanics, etc If you choose to play in premium mode, you will have access to all those things, plus more. You can upgrade your account to premium mode with the "Pay to play" menu. Adventure Maps: At the start of the game, you start on a large island that is your home. You can travel around the world to other islands and find adventure maps that are unlocked for you. You can unlock all maps, with the points that you receive from your adventures. The map itself is huge. So, you can go around the entire map. The map is created by the players. If you find a glitch on the map, you can report it and the map will be fixed. You can find loot that is dropped on the map (Or is sent to the map). You can find treasures that are located on the map, so you can get items by going there and exploring. The maps are set on daily cycles, so you can explore one map each day You can find your friends in the guild that you joined or you can create a new one. There is no use limit for the adventure maps, so you can explore the map as much as you want. Loot Loot can be gotten by you finding some items on the map or 82157476af
